

AP Institute - Chemistry

Dale Jensen

4 - Day Course Outline

Day 1 ...

Greetings
Course Content and Objectives - We will establish together
Content/Lab Needs
My Class Description
Block versus Standard Scheduling
How to Answer Questions - Free Response
AP Reading ...the benefits to you as a teacher
2012 AP Chemistry Test ... Fresh from the Reading
Homework
Lab Portion of the AP Curriculum
Selection of the Labs
Group Requirements
Our Lab
Basics
Stoichiometry
Gas Laws

Day 2 ...

Kinetics
Equilibrium
Acid/Base Equilibrium
Lab Session

Day 3 ...

Solubility
Lab Session
Thermochemistry
Thermodynamics
Electrochemistry
Equilibrium Tie In
Quantum Mechanics
Periodic Table and Trends
Bonding
Solids

Day 4 ...

Reaction Products
Farewells and FILL OUT THE EVALUATIONS

Each day we will have time to share best practices. Please come prepared to with what works best for you and your kids.
